### In a few words:

- National consultations in Minsk, Vilnius and Daugavpils took place
- Joint sports event and project-visits for the Europe Day was held
- Tactical field exercise of fire-fighters of 3 countries in Belarus were organised
- Win a trip to Milan!

## National individual consultations

Joint Technical Secretariat answered the actual questions of Beneficiaries and partners during the National consultations in Minsk, Daugavpils and Vilnius, held in April-June.

The participants were consulted on reporting, eligibility, procurement, visibility, and project closure. Over 100 participants came to individual consultations.

## Europe Day on the move

On the 5-6 of May, 2014, the Programme gathered over 50 journalists, students and representatives of national and regional authorities from Latvia, Lithuania and Belarus to enjoy sports and healthy lifestyle together with the projects in Vilnius and Latgale (Latvia). More information is available at [www.enpi-cbc.eu](http://www.enpi-cbc.eu), section [EVENTS](#).

## Trilateral field exercise in Belarus

On 29-30 of May 2014, over 100 Belarusian, Latvian and Lithuanian fire-fighters took part in joint emergency field exercise in the railway station "Soly" of Smorgon district, Grodno Oblast, Belarus ([project LLB-2-247](#)).

The rescue divisions practiced liquidating fire, eliminating chemical disaster and helping the population jointly with the help of newly purchased equipment. More details are available on [www.enpi-cbc.eu](http://www.enpi-cbc.eu), section [NEWS](#).
